Join us on Saturday, April 22nd 2017 between 6:00 and 8:30 p.m., for our gourmet and fully vegan dinner. **One hundred percent** of the dinner proceeds will directly benefit the important work the Center does on behalf of all creatures who call planet Earth home. A nonprofit organization, Greenwood Wildlife Rehabilitation Center is devoted to the rehabilitation and release of orphaned, injured and sick wildlife. It is the largest wildlife rehabilitation center of this kind in Colorado, treating approximately 3,400 mammals, birds and waterfowl every year.
