THE SPA AT ST JULIEN HOTEL INVITES SPA-GOERS TO INDULGE  
IN THE HEALING POWERS OF OLIVE OIL

*Treat the senses to a two-hour scrub, wrap, and massage drenched in Olive Oil  
at this tranquil retreat in the heart of Colorado*

(Boulder, Colo.)—The St Julien Hotel & Spa invites guests to indulge, hydrate, and soften the skin with one of nature's most ancient emollients—olive oil! The Love Olive Me! treatment, available January through March 2008, offers spa-goers a two-hour sensory experience that will leave them with soothed and relaxed muscles, improved circulation, youthful hydration, and velvety smooth skin from head to toe.

Love Olive Me! – 120 minutes, \$245

Olive oil has regenerating power on tissue and has the ability to regulate the natural moisturizing system of the skin. Finely ground olive pits are used to scrub the skin, followed by an in-room shower. Guests are then wrapped in warmth with olive body butter while receiving a scalp massage. Finally, guests enjoy a 50-minute full body massage with an Extra-Virgin Olivina massage oil, which is rich in anti-oxidants and contains grapeseed and avocado oils.

“The Love Olive Me! treatment was designed to offer guests a heavenly spa experience that not only soothes the mind and body, it also keeps skin soft, supple, and youthful while protecting against signs of aging,” says Spa Director Candis Ayers.

Nestled in the shadows of the Flatiron Mountains, the Spa at St Julien offers a full range of treatments and spa packages, including: Signature Spa Package Experiences, International Indulgences, Therapeutic Massage, Body Adventures, Signature Wraps, Skin Care, St Julien Salon Sensations, and Signature Manicures and Pedicures.
