**ST JULIEN HOTEL & SPA FEATURED AS TOP U.S. HOTEL IN THE
2008 *CONDÉ NAST TRAVELER* READERS' CHOICE AWARDS**

Independent luxury hotel in Boulder is the only hotel in Colorado to receive this honor

(BOULDER, CO; Oct. 27, 2008)—St Julien Hotel & Spa in Boulder, CO, has been recognized in *Condé Nast Traveler's* Readers' Choice Awards as one of the Top 100 United States Hotels. The Reader's Choice Awards, published in the November 2008 issue, is the second largest survey in the U.S. next to the Census and selects its list of top hotels based on feedback from 32,633 readers. St Julien Hotel & Spa is the only hotel in Colorado to be honored on this year's Top 100 United States Hotels list, ranking hotels which the magazine notes "manage to exceed our expectations."

"From the beginning, St Julien has strived to be a refreshingly uncommon hotel, blending Boulder's relaxed yet sophisticated atmosphere with our own style," says St Julien General Manager Peter Walstra. "Recognition like this, based on the feedback from the *Condé Nast Traveler* readers, is a testament that we are accomplishing our goals for St Julien. We are thrilled to be recognized one of the country's top hotels and to be the only hotel from Colorado to make the list."

St Julien Hotel & Spa, a distinguished member of Preferred Hotels and Resorts, offers guests a combination of world-class accommodations and service melded with Boulder's relaxed yet sophisticated style of hospitality. The hotel features 201 guest rooms, the 10,000-square-foot Spa at St Julien and fitness facility, and over 16,000 square feet of indoor and outdoor meeting and event space—all with beautiful views of the Flatiron Mountain. St Julien is also home to Jill's Restaurant, boasting the best in Colorado fresh fare, the contemporary T-Zero lounge, and Saturday Afternoon Tea, the hotel's fresh take on this classic tradition. Located just 45 minutes northwest of Denver, Boulder is consistently ranked as one of the most livable cities in the country. Boulder is famed for its natural beauty, welcoming atmosphere, hip, urban culture, its proximity to the Rocky Mountains, and over 300 days of sunshine a year.
